Students who are not passing all their classes may be removed from clubs or put on an academic probation program. Clubs are meant to enrich a student's learning and not distract them from their academic success.

Please be considerate of your child's well-being and the teacher's time and make arrangements to be on time to pick up your student at the stated club dismissal time. If you have any emergency, make sure to contact the club sponsor to let them know of your tardiness. After three late pick-ups, student will be dropped from the club without refund.

Siblings and/or friends of club members may not wait at or around the school for those students who attend a club.
